Endorsements

Efficacy Exclusion

The Policy does not cover any legal liability arising out of or in any way connected with the failure of any Product to fulfil a particular purpose or intended function or meet a particular level of performance, where the Insured has expressly or impliedly warranted or represented that the Product will fulfil such purpose or function (including purposes such as curing, alleviating, preventing, monitoring, detecting, eliminating or retarding Personal Injury or Property Damage) or meet such level of performance.

Welding & Hot Works Condition

This Policy does not cover any liability directly or indirectly caused by or arising out of the use of any electric, oxy-acetylene, laser or similar welding or cutting and spark producing equipment and allied processes by or on behalf of the Insured unless such activity was conducted in strict compliance with the following relevant Australian Standards:

- Australian Standards AS 1674.1 - Safety in welding and allied processes Part 1: Fire precautions, and/or
- AS 1674.2 - Safety in Welding and Allied Processes – Part 2: Electrical, and/or
- AS/NZS 2211.1:2004 Safety of laser products - Equipment classification, requirements and user's guide.

Design Exclusion

The Policy does not cover any legal liability arising out of or in any way connected with any defective design, error in formula, plan, specification, advertising material or printed instructions prepared or developed in respect to the Insured's Products.
